The Power of Connection

2ND OCTOBER 2025 | VICTORY SERVICES CLUB

Other exhibitors will include...

Heritage is part of who we are. At **Kelly's Storage**, we understand the responsibility that comes with protecting the stories and collections of the past. That's why we offer secure, climate-controlled storage tailored to the unique needs of museums, archives, and institutions. With decades of trusted experience, you can rely on us to keep your heritage safe for future generations.

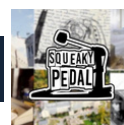

Supercharge your brand presence and wow your customers at every touchpoint with bespoke, interactive, and educational visitor resources, designed to inspire and engage families. **Colour Heroes'** products are hand-illustrated and made in Britain to help every museum to connect with their audience effectively, elevating and creating standout customer journeys and experiences.

Automated Document Services Ltd ("**Auto Docs**") provide specialist digitisation services & archive solutions to the heritage sector. Let Auto Docs help you Preserve history for future generations. Experience validated high quality standard of images and service. Delivered by an experienced team using a vast array of specialist digitisation equipment, tried & tested processes within purpose fitted premises. Auto Docs ensure careful and secure handling of historical documents and delivery of high-quality images that will last a lifetime.

John Morgan has specialised in providing props for the film, television, and visual merchandising industries since 1984. An Army Reserves officer with a deep understanding of military history and its accompanying detritus, he leads the field as a buyer of redundant items. As both a trustee and museum curator of his two regiments, John is uniquely placed to provide expert advice and practical disposal solutions. He travels extensively and can arrange for collection globally.

Squeaky Pedal is an award-winning heritage film, animation, and TV production company specialising in military history. We work with regimental and national museums, cultural institutions, and broadcasters to bring military stories to life through powerful, human-focused storytelling. Recent projects include work with the National Army Museum, Imperial War Museums, and the D-Day Story Museum.

YourArchive helps military organisations, museums, veterans' groups and associations protect their archives, capture personal stories and make history accessible to wider communities. Whether you're safeguarding regimental records, preserving service histories or sharing stories from your community, YourArchive provides the tools to digitise your collections, engage existing and new audiences all whilst honouring your legacy.
